MONTAGE PICTURES

Please number the back of the pictures in the order that you would like them to appear in the montage. We suggest you number the pictures in the top corner using pencil/non smearing marker keeping the numbers small so no lead/ink rubs onto the picture below. Have fun with it, it's YOUR montage! If any photos given to us for your montage have copyright issues, please obtain permission for its use.

MONTAGE SPECS

NUMBER OF PICTURES: 60-100. Less is fine but maximum is 100. There is a \$2.00 per picture fee for pictures exceeding the 100 maximum.

PICTURES DUE DATE: At least 30 days before your affair.

ADDITIONAL COPIES: available for \$30.00 each. Great gift for family & friends!

BACKGROUND MUSIC: We will provide the music for your montage or you may choose your own.

PLEASE INFORM YOUR RECEPTION HALL THAT THERE WILL BE A VIDEO SCREEN AT YOUR EVENT! THIS WILL ALLOW THEM TO MAKE EXTRA ROOM TO ACCOMODATE THE SCREEN.

CAPTIONS (available for \$95.00): Want to say something special for a certain picture or group of pics. Just let us know!

We recommend showing the montage towards the end of main course. It doesn't take away from the dancing and this is a good point in the night when everyone is at their seats. Any special requests in regards to the video screen or the montage can be answered simply by calling our office anytime at 973-962-4567.

MUSIC

If you would like to assign songs to specific pictures you may do so below. You will need to choose three to four songs (depending on the amount of pictures).

We've provided an example for your convenience.

PICTURE NUMBERS	SONG TITLE/ARTIST
1-27	"I'll Be" - Edwin McCain
28-60	"Maybe I'm Amazed" - Paul McCartney
